

CHELSEA MAHARANI PUTRI

Web Developer

maharaniputrichelsea@gmail.com | +62-895-2377-7134 | www.linkedin.com/in/chelseamaharani
Batam, Riau Island

PROFESSIONAL SUMMARY

A 4th-semester Informatics Engineering student with hands-on experience developing web applications through academic and team-based projects. Proficient in HTML, CSS, JavaScript, Laravel, and Tailwind CSS, with experience in responsive web development, REST API integration, front-end implementation, and back-end development. Led a 4-member development team, designed 20+ user interfaces in Figma, and contributed to AI-powered web applications and software development projects using Agile methodologies and GitHub-based collaboration workflows. Recognized for strong leadership, teamwork, and adaptability in multidisciplinary development environments. Seeking internship opportunities in Web Development, Software Development, or related technology fields.

EDUCATION

BATAM STATE POLYTECHNIC	Batam, Indonesia
<i>Undergraduate in Informatics Engineering, 3.84/4.00</i>	Aug 2024 – Present
Relevant Coursework: Programming Fundamentals, Database Systems, Web Development, User Experience Design, Artificial Intelligence, and Information Systems Management.	
SMA NEGERI 16 BATAM	Batam, Indonesia
<i>Natural Sciences Major, 88.13/100.00</i>	Jul 2021 – Jun 2024
Honors: Bronze Winner, National English and Science Olympiad 2023.	

RELATED PROJECTS

AI-BASED CV EVALUATION & JOB MATCHING SYSTEM – CVISION	Batam, Indonesia
<i>AI Engineer & Web Developer</i>	Feb 2026 – Present
- Designed the AI system architecture and developed an AI-powered recruitment platform featuring CV analysis, candidate ranking, job matching, and recommendation dashboards. - Developed and optimized machine learning and Natural Language Processing (NLP) pipelines using TF-IDF, SBERT, and Random Forest Regressor models, contributing to approximately 80% of the platform’s AI development and recommendation engine implementation. - Designed 5 responsive user interfaces in Figma and implemented key user-facing pages using Laravel, JavaScript, Tailwind CSS, and responsive web design principles. - Integrated AI-powered matching services into a Laravel-based web application through REST APIs while managing project planning, feature development, and GitHub-based collaboration workflows.	
GENERATIVE AI FOR BATIK PATTERN – TITIKBATIK	Batam, Indonesia
<i>Team Lead & Web Developer</i>	Sep 2025 – Jan 2026
- Led a 4-member development team in planning, coordinating, and developing a Generative AI-based batik pattern platform. - Conducted project planning and requirement gathering to define system features, user workflows, and development objectives. - Contributed to the development of web application features and implemented key user-facing components using Laravel, JavaScript, Tailwind CSS, HTML, and CSS. - Integrated front-end components with backend services and APIs while utilizing GitHub-based version control to support collaborative development workflows.	

PHOTO AND VIDEO STUDIO RENTAL APPLICATION – FRAMELAB

UI/UX Designer & Back-End Developer

Batam, Indonesia
Feb 2025 – Aug 2025

- Designed 16 user interfaces and interactive prototypes in Figma, contributing to approximately 75% of the platform’s UI/UX design and user workflow planning.
- Developed backend modules for authentication, booking management, rental processing, and reservation handling, contributing to approximately 70% of the platform’s server-side functionality and business logic implementation.
- Integrated Midtrans payment gateway APIs to enable secure real-time online transactions and automated payment processing within the application.
- Managed application hosting and deployment while utilizing GitHub and Agile-Scrum methodologies to support collaborative development workflows.

LEADERSHIP & ACTIVITIES

SINGAPORE POLYTECHNIC CULTURAL EXCHANGE EVENT

Student Representative

Batam, Indonesia
Jun 2025

- Selected as one of 20 student representatives in a cultural exchange program with Singapore Polytechnic.
- Delivered a presentation to 200+ participants and collaborated in cross-cultural communication and academic exchange activities.

HMTI FAIR

Event Division Spokesperson

Batam, Indonesia
Oct 2024 – Nov 2024

- Coordinated event operations, stakeholder communication, and activity updates within the Event Division.
- Collaborated with cross-functional teams in event planning, preparation, and execution.

INDONESIAN INDEPENDENCE DAY CEREMONY

Master of Ceremony

Batam, Indonesia
2022 – 2023

- Hosted district-level Indonesian Independence Day ceremonies attended by community members and local representatives.
- Managed public communication, audience engagement, and event coordination during formal events.

STUDENT COUNCIL (OSIS)

Secretary

Batam, Indonesia
2022 – 2023

- Managed organizational administration, meeting documentation, and reporting processes.
- Coordinated schedules, internal communication, and cross-team activities to support organizational operations.
